Re: Letter of Recommendation

To Whom It May Concern:

I am pleased to write this letter of recommendation for David Jolley. David is a very lively musician and would be great entertainment at any venue.

I first became acquainted with David in 2005 when I took over as music coordinator for the Arts at the Airport program at Nashville International Airport. I noticed right away that David Jolley and his band were very professional and always on time for a performance. There have been times when I have needed to call upon musicians to perform on short notice and David Jolley has always been very accommodating. In the time I have worked with David, I truly believe he is a genuine, hard working person and that his passion for music will always shine through. David has represented the Arts at the Airport well and we look forward to partnering with him for many years to come.

Please feel free to contact me if further information is needed.

Sincerely,

Lawanda Mason
